Client
Portal

Comparing monthly usage on previous years helps clients identify peaks and troughs. Data can be easily exported in a variety of file formats.

Month vs Month

Emissions Usage	Gas Usage	Electric Usage	Month vs Month

Date Range: DD/MM/YYYY to DD/MM/YYYY GO

Electricity | Gas

MPRN/MPAN | Site | Meter Serial Number

Our meter reading analytics shows data detailing the meter reads, both previous and present, and identifies whether the read was actual or estimated.
